

100 Walks in Yorkshire (Western (Vol 3))

Part of a series of books for the keen walker, this is a guide to 100 circular walks, ranging from 3-12 miles in length, in Western Yorkshire. The Western half of Yorkshire stretches from Sheffield to Richmond, and offers some fine walking on the Peaks and the Dales. There should be walks to appeal to all tastes, with hill walks for experienced walkers, and gentle excursions for leisure walkers and the family. Each walk has a map with points of interest and refreshment places detailed en route as well as suggestions for easy car parking. The route descriptions and maps are on facing pages of the book for easy reference.
