

Stinky and Eddie: A Fine Bromance (A Fragrant Bouquet of Stinky Stories Book 4)

Hello, Lovers Young and Old You are holding a collection of stories, many about lovers young and old, and all of them have happy endings. This is a sly way of warning you that it is a work of fiction. No tearful partings, broken crockery or thwarted suicide attempts. Volume 3 ended on a bit of a down note, so Volume 4 ramps up the craziness and changes the mood. Stinky relates a dream in which he and his sister become Hansel and Gretel and turn a child-roasting witch into a vegan in less than twenty-four hours. Fans of Stinkys knees will enjoy his lederhosen, even though he claims theyre not his best feature. Silly Stinky. A person whose knees are his best features is not in the running for best looking man on the planet.

Youll be running out of the free preview section before you can learn how an ethnospecific pair of characters like Stinky and Eddie gets tangled up with an ethnogeneric undercover cop. He and Eddie team up to prevent a spring without pansies. Lucky for wardrobe it isnt Eddie who has to don heels and a snazzy copy of Anitas costume from West Side Story. Young love flies into our heroes lives when a long-lost cousin returns to town as a Flying Monkey and announces his engagement. Expecting congratulations, he awakens the latent wedding planner genes in his aunt and the event is quickly as out of control as Dorothys tornado. It takes Stinkys craft to arrange for a safe landing for all. I can guarantee that when you read how Stinky and Eddie rescue their nephew Gradey from a summer camp located in the Poison Ivy Capital of America, you too will join the millions of Americans who plan their vacations to avoid the place. Youll have to buy the book for the specifics, but its so worth it. In an effort to keep the tone light we skip over Gradeys sullen teen years and return to find him a jaded sophomore, dropping Latin phrases and working as a summer intern at his

uncles firm. Will his work ethic improve under an ambitious and highly motivated supervisor? It couldnt get worse than the previous summer when he did almost nothing and yet managed to do it a bit differently every day. This time around the never before seen bonus story is the last one in the collection. Sorry you cant peruse it for free on Amazon, but starved authors dont write sequels. Its a tale of old and young lovers as overworked Stinky finally stops to consider what hes doing with his life and what he should be doing. Amor omnia vincit, as Gradey might say. About Stinky Stories The #1 bestselling Amazon series, Stinky Stories includes almost eighty comic short stories that span over fifty years of Stinky and Eddies lives. Stinky is chatty and insouciant, and while Eddie may not say as much, when something needs to be done, hes already doing it. Theyre as close as Brooklyn and Queens and as unlikely to separate. Stinky doesnt go looking for trouble, but he cant hide from it. Its part of the best looking man on the planet package. His work and family connections tie him to all the citys civic leaders and the crazier their ideas, the more likely they are to ask Stinky for help. Stinky and Eddie would like to live quietly, but lucky for us that never happens. Stinky and Eddie are supported by a collection of outrageous guest stars and an ever expanding cast of relatives. The stories are witty and literate and readers dont have to leave their brains in a jar to enjoy them. Whether its a flat-out farce, bedroom comedy, sexy romp, sly satire or screwball family intrigue, youre never far from a happy ending in every Stinky story. Isnt that what we really need these days?
