

THE RED PONY With Illustrations by Wesley Dennis

Raised on a ranch in northern California, Jody is well-schooled in the hard work and demands of a ranchers life. He is used to the way of horses, too; but nothing has prepared him for the special connection he will forge with Gabilan, a hot-tempered pony his father gives him. With Billy Buck, the hired hand, Jody tends and trains his horse, restlessly anticipating the moment he will sit high upon Gabilans saddle. But when Gabilan falls ill, Jody discovers there are still lessons he must learn about the ways of nature and, particularly, the ways of man.

Beautifully watercolor illustrations by Wesley Dennis.
