

The Rebel (Harlequin Intrigue)

Bad to the bone in all the right ways A brilliant civil lawyer, David Hennings has always been the outsider at odds with his wealthy family, shunning relationships, defying convention as a sexy leather-jacketed biker. Which is why sculptor Amanda LeBlanc agrees to his request to reconstruct a skull from a cold case murder. The instant heat between them is scorching. But once Amanda takes the job and gets too close to the rebellious attorney, her carefully balanced life is upended by a series of methodical attacks. Someone doesn't want her to finish the job. Now David will risk everything not to lose the woman he unknowingly put in jeopardy.
