

The Devils Code (Windsor Selection)

When Kiddartist, computer whiz, and professional criminallearns of a colleagues murder, he doesnt buy the official story: that a jittery security guard caught the hacker raiding the files of a high-tech Texas corporation. Its not what his friend was looking for that got him killed. Its what he already knew. For Kidd and LuEllen, infiltrating the firm is the first move. Discovering the secrets of its devious entrepreneur is the next. But its more than a secretits a conspiracy. And its landed Kidd and LuEllen in the cross-hairs of an unknown assassin hellbent on conning the life out of the ultimate con artists
