

The Posthumous Papers the Pickwick Club (Classic Reprint)

Preface to the original Edition of the Posthumous Papers of the Pickwick Club, that they were designed for the introduction of diverting characters and incidents; that no ingenuity of plot was attempted, or even at that time considered very feasible by the author in connection with the desultory mode of publication adopted; and that the machinery of the Club, proving cumbrous in the management, was gradually abandoned as the work progressed. Although, on one of these points, experience and study afterwards taught me something, and I could perhaps wish now that these chapters were strung together on a stronger thread of general interest, still, what they are they were designed to be. I have seen various accounts of the origin of these Pickwick Papers, which have, at all events, possessed for me the charm of perfect novelty. As I may infer, from the occasional appearance of such histories, that my readers have an interest in the matter, I will relate how they came into existence. I was a young man of two or three-and-twenty, when MESSRS. CHAPMAN and HALL, attracted by some pieces I was at that time writing in the Morning Chronicle newspaper, or had just written in the Old Monthly Magazine (of which one series had lately been collected and published in two volumes, illustrated by MR.
