

Ellie Jordan, Ghost Trapper (Volume 1)

Ellie Jordans job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, one of the oldest and most haunted cities in North America. When a family contacts her to deal with a disturbing presence in the old mansion theyve recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil older and more powerful than shed ever expected, rooted in the houses long and sordid history of luxury, sin, and murder. The dangerous entity seems particularly interested in her clients ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child.
