

Demons LLC (Damned and Cursed) (Volume 7)

What would you do if you could talk to ghosts? Alex was born with demonic abilities unheard of, even in the supernatural world. He can talk to ghosts, walk through walls, he can even fly. His powers have allowed him to help others, living and dead. Now Alex is at a crossroads in his life. Newly married, he no longer wishes to work at his dead-end job forever. Cindy, his wife, gives him the best idea for a unique person who regularly converses with demons and the dead. Alex is going to start his own business.
