

## Goldsmiths Friend Abroad Again (Annotated)

\*This Book is annotated (it contains a detailed biography of the author). \*An active Table of Contents has been added by the publisher for a better customer experience. \*This book has been checked and corrected for spelling errors. This satire on the U.S.A.s myth of being the Home of the Oppressed, where all men are free and equal, is unrelenting in its pursuit of justice through exposure. It draws a scathingly shameful portrait of how Chinese immigrants were treated in 19th century San Francisco.
