

## A Fair Quarrel

A Fair Quarrel is a Jacobean tragicomedy, a collaboration between Thomas Middleton and William Rowley that was first published in 1617.[edit] Performance and PublicationThe play is thought to have been written and performed most likely in the 1615/16 period, though firm evidence for these aspects of the work has not survived. The 1617 quarto, printed by George Eld for the booksellers John Trundle and Edward Wright, was published in two states or impressions: Q1a is missing the roaring school scene, while Q1b includes the scene as an appendix. The second quarto, issued in 1622 and printed by Augustine Matthews, also includes the roaring school scene and places it in its proper place as Act IV, scene iv. The play was dedicated to Robert Grey, Esq., the dedication signed by Rowley. The title page of Q1 states that the play was acted before the King.The play was acted by Prince Charless Men, the company to which Rowley belonged at the time. After the deaths of both authors, the play would become the property of Queen Henriettas Men. By 1639 the play was in the repertory of Beestons Boys. It was revived at least once during the Restoration era, in 1662.
