

A Fools Gold Christmas (Mills & Boon M&B) (A Fools Gold Novel, Book 9.5)

A classic heartwarming tale for the holidays from New York Times bestselling author Susan Mallery. The cheer in Fools Gold, California, is bringing out the humbug in dancer Evie Stryker. An injury has forced her to return home to her estranged family. So she won't add to the awkward scenario by falling for the charms of her brother's best friend, no matter how tempting he is. When she's recruited to stage the winter festival, she vows to do as promised, then move on, anywhere but here. Jaded lawyer Dante Jefferson is getting used to the town he now calls home, but the pounding of little dancers' feet above his office is more than he can take. When he confronts their gorgeous teacher, he's unprepared for their searing attraction. Evie is his best friend's sister-off-limits unless he's willing to risk his heart. Dante has always believed that love is dangerous, but that was before he had to reckon with the magic of a certain small town, where miracles do seem to happen.
