

A Midsummer Nights Dream

The Play and a short guide to the reading. A Midsummer Nights Dream is one of the most popular play by William Shakespeare. It was probably written between 1590 and 1596, and tells about the marriage of the Duke of Athens, Theseus, and the Queen of the Amazons, called Hippolyta. These events include the adventures of four young Athenian lovers and a group of amateur actors, who are manipulated by the fairies who inhabit the forest in which the play is set.
