

## A Midsummer Nights Dream (One-Act Adaptation)

Adapted by Aurand Harris from the play by William Shakespeare. A superb adaptation for one-act play contests, classroom studies, and mini-productions. 8 men, 2 women, fairies and court attendants. Costumes may be either Elizabethan or fanciful. The lyrical fantasy of a fairy kingdom, the slap-stick farce of Bottom and his fellow weavers, and the wit and splendor of the Dukes court all make this short adaptation a triple treat of Shakespeare merry-making. The plot and characters delightfully illustrated in Pucks words what fools these mortals be.
