

Ending the Epidemic of Child Abuse

Designed to change anyone's life; you cannot read this book and walk away unchanged. Ending the Epidemic of Child Abuse is an all-encompassing guide for survivors that will help you learn to thrive, not just survive. Anyone can read this book to learn how to help survivors of child abuse across the globe, and it all starts by changing one life at a time. This book covers all the information required to become totally psychologically healthy. In this book I start by explaining the critical first steps needed for healing, and I end up explaining how to use all the tools I mention in a way to end the suffering that is due to child abuse. This book is timeless, the information will be just as valuable, and applicable 20 years from now as it is today. Every survivor can benefit from the knowledge it contains.
