

Immortal Plague (The Judas Chronicles) (Volume 1)

Formerly PLAGUE OF COINSOut-freaking-standing-excellent ! ~ Detra Fitch of Huntress ReviewsWilliam Barrow carries a dark secret. A very dark secret.An archivist for the Smithsonian Institute and also a part-time operative for the CIA, no one would ever suspect the handsome thirty-ish William is in fact the most reviled human being to ever walk the earth. His infectious warmth and sense of humor make such an assertion especially hard to believe.But long ago, William Barrow had another name...one that is synonymous with shame and betrayal: Judas Iscariot.Forced to walk the earth as a cursed immortal, William/Judas is on a quest to reclaim the thirty silver shekels paid to him in exchange for Jesus Christ. Twenty-one coins have now been recovered--thanks in large part to the help from his latest son, the esteemed Georgetown University history professor, Alistair Barrow.Ever hopeful the complete coin collection will buy him a full pardon from God and end his banishment from heaven, William plans a visit to a remote village deep within Irans Alborz Mountains to retrieve silver coin number twenty-two. But the CIA has a different objective for this trip, one that pits both father and son against an unscrupulous Russian billionaire searching for something else that's just as precious within the ancient mountains of Iran... something that threatens peace in the modern world if William and Alistair fail to reach it first.Acclaim for the novels of Aiden James:The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns,and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year.--Detra Fitch, Huntress Reviews for The Devils ParadiseAiden James has written a deeply psychological, gripping

tale that keeps the readers hooked from page one.--Bookfinds review for The Forgotten EdenAiden James writing style flows very easily and I found that Cades Cove snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirits interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Maes (earthly) demise were very powerful. I think those aspects separated the work from what weve seen before in horror and ghost tales.--Evelyn Klebert, author of A Ghost of a Chance and DragonfliesAiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. The Raven Mocker is a nearly perfect thriller. Ghost stories dont get any better than this.--J.R. Rain, Bestselling author of the Vampire for Hire seriesAs with the previous titles I have read by this author, I found the authors writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what todays readers want to see in their stories.--Detra Fitch, Huntress Reviews for The Vampires Last Lover
