

Algebra and Trigonometry (10th Edition)

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearsons MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearsons MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. Prepare. Practice. Review.

Mike Sullivans time-tested approach focuses students on the fundamental skills they need for the course: preparing for class, practicing with homework, and reviewing the concepts. The Tenth Edition has evolved to meet todays course needs. Note: You are purchasing a standalone product; MyMathLab does not come packaged with this content. MyMathLab is not a self-paced technology and should only be purchased when required by an instructor.
