

Idylls of the King (Deseret Alphabet edition) (Deseret Alphabet Classics) (Volume 16)

Alfred Tennyson , First Baron Tennyson (1809-1892) was one of the most prominent English poets of the 19th century. From 1850 to his death, he was the Poet Laureate of Great Britain, the longest tenure of any Poet Laureate in British history. Idylls of the King is Tennysons definitive but not only treatment of the quintessential British mythos: the tales of King Arthur and his Knights of the Round Table. The material is largely derived from Thomas Mallorys Morte d'Arthur and the Welsh Mabinogion, seen through a Victorian lens idealizing manly honor and feminine purity.
