

## Gothic Tales Vol. 6

This collection of short stories contains several gothic tales to bear macabre and chilling witness to writers of a most excellent standard. These tales are designed to unsettle you, just a little, as you sit back, and take in their words as they lead you on a walk to places you perhaps would rather not visit on your own. Many of these titles are on our audiobook version which can be purchased from iTunes, Amazon and other digital stores.
