

Anton Chekhov, Second volume.

Anton Pavlovich Chekhov (1860 - 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics. Chekhov practiced as a medical doctor throughout most of his literary career: Medicine is my lawful wife, he once said, and literature is my mistress.
