

Archie Marries Veronica #34

Archie Marries Veronica -- Up in the Air!: Archie and Veronica are doing their best to not let the tumultuous events of their lives effect the love they have for one another. And theyre doing pretty well, too, but is love enough to keep their legal battles at bay? Speaking of love and battles, Jughead and Ethel have some planning to do... but hopefully their stubbornness wont get in the way! And Kevins trying his best to not let peoples perceptions of him effect his Senate job, perhaps some encouraging words is all he needs. And Clays back to work -- but things still seem new and strange. Could it just be his imagination?
