

## One Day in New York: An ARKANE Thriller, Book 7

New York City is built upon a dark secret. If this knowledge falls into the wrong hands, the city will crumble. From New York Times and USA Today best-selling author J. F. Penn... When a woman is crucified on a burning cross in downtown Manhattan, it marks the beginning of a dangerous crusade. The Confessors seek the powerful relic of a dark angel, and they will stop at nothing to get it. ARKANE agent Jake Timber is in New York to investigate the 11th-century Cloisters Cross alongside Naomi Locasto, a linguist, when they become entangled in the mystery. As his past threatens to overwhelm him, can Jake find the relic of the angel before the Confessors destroy the city? This is book 7 of the ARKANE supernatural thriller series, but it can also be enjoyed as a standalone novel.
