

Arnheims Principles of Athletic Training: A Competency-Based Approach

Arnheims Principles of Athletic Training: A Competency-Based Approach is the leading text in the athletic training field. The text is designed to lead the student from general foundations to specific concepts relative to injury prevention, evaluation, management, and rehabilitation. Now in its 14th edition, Arheims Principles of Athletic Training continues to innovate, with several new features available with the new edition: Connect Athletic Training: the first online learning management system for the athletic training course, featuring assignable labs, videos, internet exercises, an optional integrated ebook, and more; full color photographs and illustrations throughout the entire text; and, expanded coverage of athletic trainers working in a variety of employment settings.
