

## All Guns Blazing (A Cal Hennessey Western)

THE THRILL-A-MINUTE WESTERN BASED ON THE TRUE STORY OF THE FIGHT AT ADOBE WALLS!! Cal Hennessey was on his way to meet up with old friend Billy Dixon at Adobe Walls. The plan was to catch up on each others news over a beer or three. But before he got there he ran into two dead men and a bunch of blood-hungry Comanches. Trouble was brewing on the Staked Plains of Texas and Hennessey, who was no stranger to it, quickly found himself in the middle of a full-scale Indian war. He was a tough hombre. But was he tough enough to survive the killing to come?
