

Betty #174

Curious Color Choice: Everyone has an opinion on what color Betty should paint her room, but does she really only have to choose only one spectrum of the rainbow? The Late, Late Show: Those lazy, hazy days of summer find Betty especially hazy -- because shes finding new ways to stay up later each night! Weather Tether: A inaccurate weather forecast leaves Archie and Betty with a whole beach to themselves,, and enough sun rays to get a tan 10 times over!
