

Bigfoot Bait (Becker Trilogy)

Bigfoot Bait is the second book in the Becker Trilogy. This book deals with the kidnapping of three coeds: two from Columbia, Missouri, and one from Berkeley, California. We also have the return of the gun-running biker gang that Bob and others dealt with in Too Many Women, the first book of the trilogy. Bob is assisted by old friends of my readers from the Janitor and Asps series including Jim and Holly Scott.
