

## Black Evening: Tales of Dark Suspense

David Morrell, whose many bestsellers include *Double Image*, *Extreme Denial*, and *The Brotherhood of the Rose*, has consistently redefined the modern thriller. Now he turns to a darker side of suspense in a powerful collection of tales, many of them award winners, that delve into the weird, uncanny terrors that lurk just beneath the comforting surfaces of daily life. Fear of loss, fear of pain, fear of madness, fear of being trapped, fear of the inescapable, unspeakable horrors that fester deep within the soul.... No matter who or where you are, fear is always with you, always ready to attack from behind the masks of thought and dream. Let David Morrell tell you a story...
