

Blood Storm

Tweed and his dynamic team face one of their biggest challenges yet. Not even the most sophisticated security systems nor the most experienced counter-terrorist czars can stand up to a force that threatens the whole of Europe. Tweed rarely experiences fear or doubt, but is almost overwhelmed when he has to make a seemingly impossible decision about one of his own team. Loyalties are tested to the limit in this topical, fast-paced, highly tense new thriller from Colin Forbes.
