

Taboo For You (Friends to Lovers) (Volume 1)

Sams freaking out. Hes 30 in three weeks. And what has he done in his twenties? Its pretty simple math: nothing exciting at all. But hey, he has three weeks right? Maybe thats just enough time to tick his way through a 20s Must Do List . . . Lukes freaking screwed. Hes come out to his family, and his friends. Except theres a certain someone who doesnt know yet: his neighbor of 7 years. Who also happens to be his best friend. Who Luke needs to tell the truth, but he just . . . cant . . . seem to . . . Jeremys freaking over-the-moon. Its the countdown to his 15th birthday, and his goal is simple. No matter what, hes going to spend heaps of time with saucy Suzy. But first he needs to get his over-protective, no-girlfriend-cause-youll-get-her-pregnant parents off his back. And what better way than pretending hes gay? Sam, Luke, and Jeremy. Three guys who have a lot of history together, and a lot of future too well, if they can sort out their issues, that is.
