

Strengthening Bonds (Bonds of Truth) (Volume 3)

Three couples strive for their happily ever after . . . Christopher Waters is a happy man . . . mostly. Physically and emotionally healed from being shot, he wants nothing more than to finish his training as a submissive and to call his boyfriend, Tatum Steele, his Master. However, secrets and old wounds could stand in the way of having all he desires. Harry Daggett has met tragedy, hardship, and hurt at every turn, leaving him an emotionally scarred man who must conquer his anxiety in order to finally marry the man he loves. Connor Locke has always been his rock and savior, but to take control of his future, it is Harry who must take the lead. Jesse Martin knows something is wrong with his boyfriend, Mark Duncan. The nightmares have stopped, but the distance in their relationship remains. And when he finds something that makes him question everything they have, Jesse lashes out in a way Mark can't let go. Together since college, the two are lost without each other, but only the truth will set them free.
