

The One Who Changed Everything (Mills & Boon Cherish) (The Cherry Sisters, Book 1)

Isn't love worth the family fallout? Daisy Cherry hasn't seen rugged landscaper Tucker Reid in ten years. Not since the wedding between him and her younger sister had been called off! Now she's hired a landscaper to fix the grounds of her parents' Adirondack resort, Spruce Bay. It's Tucker: he's the best man for the job. When her family finds out, Daisy is in a whole world of trouble! But none of them know that the instant, wild, intense attraction between Daisy and Tucker has bubbled into a secret affair. That would cause explosions!
