

A Pirates Life for Me Book Three: Pirate Triumvirate (Pirates of Anteros) (Volume 3)

Now that he is deeply involved with Adam and Tyler, Lucas cant help questioning if things are too good to be true. On the surface, he seems to have it all: a place in the pirate show, an exciting sex life with the two hottest men on the island, and a home in paradise. But hes still unsure of his place in his lovers lives, torn between wanting to become serious with them and afraid hes being used as a tool to strengthen the other mens relationship. Believing that all of this is temporary, Lucas begins keeping secrets, and in the process he raises the stakes for all three of them and leads them to a make it or break it moment that will determine their future together.
