

Burial of Ghosts

For Lizzie Bartholomew, a holiday in Morocco will change life forever. But not in the way she had hoped...Lizzie had planned her trip to Marrakech as the perfect escape from her life - and her nightmares - in Northumberland. Abandoned as a baby, and having spent her childhood moving between foster homes, Lizzie certainly has much to escape from. And for Lizzie, Morocco is the exotic paradise that she had imagined. Especially when she finds herself on a bus sitting next to a fellow tourist, who is also travelling to fulfil his dreams. After a brief affair, Lizzie returns to England. In the days that follow, she is distracted by thoughts of her mysterious lover, hoping against hope that Philip might come and find her. But suddenly she receives a letter from a firm of solicitors. Philip Samson has died. In his will, he has left Lizzie a gift of [pound]15,000. But there are conditions attached to this unexpected legacy. Conditions that will alter the course of Lizzies life forever.
