

Crooked Ways

Crooked Ways is a small collection of stories and poems centered around the theme of Halloween. It is the Ambages third foray into publication and features stories from seven authors, including Nate Deisinger and Caleb Peiffer (author of *The Second Death*). From the classical approach of horror and suspense, to the religious take of All Hallows Eve; from unusual job opportunities, to unknown evils; the stories here explore the many different interpretations of Halloween. Contributing Authors: E.R. Alwardby, Nate Deisinger, Nicholas Foireann, John Matz, Nicole Michelle, Andrew Page, Caleb Peiffer
