

The Mountain Man 35 Rampage of the Mountain Man

Mountain man Smoke Jensen lives by the rules of the frontier. The first rule is: the strongest survive. But when bad breaks, bad weather and bad bovines back Smoke into a corner, he needs something to go right. Instead, he faces the kind of tough luck only a gun can beat. A contract to deliver 3000 head of cattle might just do the trick. But a renegade Cheyenne warrior uses an early winter blizzard to attack Smoke and his out-gunned cowboys. Too bad it's only the first step in a journey built to test Smoke's mettle, because some people are hunting a payday of their own for killing Smoke Jensen. Soon the streets of Laramie will run with blood.

Images for The Mountain Man 35 Rampage of the Mountain Man The mountain series beginning with the first mountain man, was what brought me to William W. Johnstone.
