

Buzzard Bait

Matt Cord is going to avenge his brothers hanging . . . no matter who he has to kill! Matt just wants to get his brother Luke, Lukes fiancée, and the herd of cattle to their ranch in Montana Territory. But when old enemies strike at Matt through his family, he takes his .44, his Bowie knife, and his old Hawken rifle and sets out on a vengeance trail that takes him through blizzards, hostile Indians, and deadly ambushes to a final showdown! BUZZARD BAIT is a classic early novel by the legendary Jory Sherman, dean of living Western authors. Out of print for more than 30 years, its now available again from the Western Fictioneers Library. Dont miss this action-packed tale from a writer Loren Estleman describes as an American treasure!
