

Cameraman

Production assistant Shaun Doyle is thrilled when hes invited to work a week long film shoot in The Dominican Republic. But hes baffled upon meeting Dylan, the handsome cameraman and co-owner of Vivid Productions. While breathtakingly hot physically, Dylan is overtly cold to Shaun. Determined to get to the bottom of the crabby cameramans aversion to him, Shaun pushes to break through the mans barriers, and discovers a scorching heat that overwhelms his body, along with an emotional roller coaster that threatens to break his heart.
