

## Capital Crimes

Husband and wife Jonathan and Faye Kellerman, both internationally best-selling authors, team up for a powerful one-two punch with *Capital Crimes*, a pair of original thrillers set in two cities rich in atmosphere. The stories feature appearances by the authors signature heroes: LAPD Lieutenant Peter Decker and psychologist sleuth Dr. Alex Delaware. *My Sisters Keeper*: Berkeley Progressive state representative Davida Grayson fits in well with her Berkeley constituents. But some of Davidas views have made her unpopular elsewhere. Still, no one suspects that any buttons Davida might push could evoke deadly force. But now Davida lies brutally murdered in her office, and Berkeley homicide detectives Will Barnes and Amanda Isis must unravel Davidas complex, surprising life in order to find her killer. *Music City Breakdown*: Nashville Baker Southerby, the son of musicians, was a child-prodigy performer. But something Baker wont talk about leads him to quit the honky-tonk circuit, become a Nashville cop, and never look back. His partner, Lamar Van Gundy, is a would-be studio bassist who never quite made the cut in Music City, and so instead earned himself a detectives badge. Now both men are members of the Nashville PDs elite Murder Squad, with a solid record for solves. But when they catch a homicide thats high-profile even for a city where musical celebrity is routine, their skills are tested. Jack Jeffries, a rock legend who cast aside personal demons and emerged from retirement to perform at a charity benefit, has been discovered in a ditch near the Cumberland River, his throat slashed. *Capital Crimes* delivers riveting, psychologically resonant suspense, just what weve come to expect from two of the worlds most successful crime writers.
