

## Ghostfire

After thirteen years of silence a violent serial killer known as The Plastic Surgeon has returned to stalk the streets of Sydney, murdering blonde women in a psychotic frenzy. Frank Saunders was the detective in charge of the first Plastic Surgeon taskforce. His failure to catch this insane predator resulted in the breakdown of both his marriage and his health. Now Frank is desperate to finish the job. He given one more chance and partnered with Joanne Mullins, an attractive blonde officer eager to prove himself. But the Plastic Surgeon is fit and elusive, moving quickly through the city's darkened streets and alleys like a ghost. A taunting letter to the police he provides them with a new name and the first clue to his true identity - Ghostryder. Can Frank and Joanne use this titbit of information to finally catch this dangerous psychopath? Ghostfire is an exciting detective thriller combining mystery with romance. Also by Ethan Somerville in this genre: Infinity Land - a ruthless assassin becomes involved with a woman who lost her previous husband to a serial killer.
