

Chicken Soup for The Soul: Indian Women

The book resonates with the voices of women who have sometimes internationally and sometimes serendipitously found their own truth amid chaos, hope in dark times, courage and love in adversity, from author Shashi Deshpande's quest to keep the writer in her alive though domesticity to Soni Razdan's brush with a dream debut of women who have lived many lifetimes in their kitchens and work places, *Chicken Soup for the Indian Women's Soul* is a heartwarming recipe for all those looking for a brimful of inspiration and good cheer on a rainy day.
