

## The Club of Queer Trades (Annotated)

\*This Book is annotated (it contains a detailed biography of the author). \*An active Table of Contents has been added by the publisher for a better customer experience. \*This book has been checked and corrected for spelling errors. The Club of Queer Trades is a collection of stories by G. K. Chesterton first published in 1905. Each story in the collection is centered on a person who is making his living by some novel and extraordinary means (a queer trade, using the word queer in the sense of peculiar). To gain admittance one must have invented a unique means of earning a living and the subsequent trade being the main source of income.
