

Artifacts #21 Phantoms of the Heart Conclusion

PHANTOMS OF THE HEART, CONCLUSION Dr. Rachel Harrison has come to learn the truth of her family heirloom - it is the Artifact known as the Heartstone. What she didn't know is that each Artifact bearer has a destiny and hers lies in the small New England hometown she tried to leave behind. The origin of the Top Cow Universe's newest bearer by RON MARZ (MAGDALENA, SHINKU) and STJEPAN SEJIC (ANGELUS) comes to a chilling conclusion.
