

## Consider... The Donut

With the purchase of this book comes direct download access to another 31 Free Books Two years is long time to be in a relationship and Kaley was happy with that. She loved Frank, he loved her. They had their patterns, their things, their places and it was fine, familiar and perfect for her. For Frank as well, or so she thought. Then, he changed and he wasn't satisfied, he wanted more, new people new flavors. Would she be able to handle all this change or would her world suddenly crumble? This is NOT some table-thumping tome that will end up unread and gathering dust on your virtual bookshelf this is simply a well-written romantic short story that will have you flipping over the pages in feverish anticipation perfect for a lunch break or when you have some time to kill!
