

London Transports

Whether its the sudden snapping of bonds between lovers or shopping on Oxford Street, Maeve Binchy finds the unexpected truth in experiences so real that every woman will recognize them. Filled with her delicious humor and warmth, the twenty-two stories in London Transports will delight and captivate as they take us to a place that is far awayand yet so familiar...Where having an affair with a married man brings one woman to a turning point...Where another finds that looking for an apartment to share can be a risky business...Where nosing into a secretarys life can have shocking results...Where a dress designer just had a god-awful day...And where Maeve Binchy captures the beat of every womans heart.From the Paperback edition.
