

## Crime and Punishment

A desperate young man plans the perfect crime -- the murder of a despicable pawnbroker, an old woman no one loves and no one will mourn. Is it not just, he reasons, for a man of genius to commit such a crime, to transgress moral law -- if it will ultimately benefit humanity? So begins one of the greatest novels ever written: a powerful psychological study, a terrifying murder mystery, a fascinating detective thriller infused with philosophical, religious and social commentary. Raskolnikov, an impoverished student living in a garret in the gloomy slums of St. Petersburg, carries out his grotesque scheme and plunges into a hell of persecution, madness and terror. Crime And Punishment takes the reader on a journey into the darkest recesses of the criminal and depraved mind, and exposes the soul of a man possessed by both good and evil ... a man who cannot escape his own conscience.
