* Beautifully illustrated with atmospheric paintings by renowned artists, Chronicles of Avonlea is a delightful collection of stories related to the fictional Canadian village of Avonlea that L. M. Montgomery created for her enormously popular Anne series of novels. * Just as accessible and enjoyable for today's readers as it would have been when first published over a century ago, the novel is one of the great works of English literature and continues to be widely read throughout the world. * This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
