

## Dark Horse Maverick 2000 (Frank Miller)

Introducing the best anthology you will read in the year 2000. Editor Diana Schutz has cherry-picked great stories from some of the best Maverick creators, brought a few newcomers to the table, and delivered a plate you cant put down. If the cover and story from Frank Miller arent enough to satisfy your palate, how about a long-awaited new Body Bags story from Jason Pearson, or a short piece from Stan Sakai (Usagi Yojimbo) about a trip abroad with Sergio Aragones? Another serving of Paul Chadwicks Concrete? Coming right up. A steaming side of Deep-Dig by Brian Ralph (Cave-In) accents the spices of Scott (Soulwind) Moses Ancient Joe - and to top it off, were serving a little something from Dylan Horrocks (Hicksville) for dessert. Bon appetit!
