

Deep Black: Nick Stone, Book 7

Nick Stone's future never looked so bleak. The only person he ever loved is dead. The only people who might give him a reason not to join her have turned their backs. Until a chance encounter with a man he saved ten years ago appears to throw him a lifeline. But on the bullet, and bomb, scarred streets of Baghdad, second chances are in short supply. A simple quest becomes a journey to the heart of a chilling conspiracy to assassinate the one man Stone believes can offer some salvation, but whom the darker forces of the West will stop at nothing to destroy.
