

Deep Sky (Harper Thriller)

Lee has an intense brand of storytelling. [Hes] the real deal. Steve Berry, New York Times bestselling author of The Jefferson Key Patrick Lees extraordinary Breach trilogy comes to an explosive and breathtaking conclusion with Deep Sky as Travis Chase of the ultra-secret government agency Tangent finally comes face to face with the decision that could determine the ultimate fate of the world. With The Breach, Ghost Country, and now Deep Sky, Patrick Lee has established himself as a major voice in the thriller genre, combining ingenious scenarios with non-stop action and X-Files-like strangeness. His electrifying fiction has earned exuberant praise from a host of New York Times bestselling masters of suspense (Audacious and terrifying Lee Child, Brilliant Pure exhilaration from the first page to the last James Rollins, WOW! Double Wow!...Makes Tom Clancy look like the slowest child in the class. Stephen Coonts). Everything ends here and there is nowhere on Earth to hide.
