

Dickens Dictionary of the Thames, 1887

A portrait of the river at the height of its Victorian prosperity. On the upper Thames it was the carefree era of regattas and riverside picnics, while Londons tideway and great docks were busy with the comings and goings of barges, steamers and sailing ships servicing the worlds largest port and the Empire on which the sun never set.

Dickens Dictionary of London 1888: An Unconventional Handbook Text printed in double columns. Includes advertising matter. Printed advertisement on lining paper. Bound in original stripped red, white and **9781873590126:**
