

## The Wanderer

Genre: LGBT Historical Western  
Doctor Jude Evans has built a safe but barren life for himself in a small western town where he pours all his passion into caring for his patients while hiding his secret yearning to love another man. Gabriel Fontenot is a drifter who is handy with a gun, prospecting for gold and trying to forget the night the letter O was carved into his hip. Suffering from hard living, he is cared for by Jude, but Gabriel is aroused by Jude's gentle touch and offers to service the innocent doctor. But Jude has other problems. A reformer in a small town reluctant to change, he is targeted by David Smith, a wealthy and dangerous landowner. Gabriel vows to protect shy Jude, becoming a reluctant guardian angel who helps to keep the doctor safe. But what will it take for Jude to finally feel free to give himself completely to his beloved gunfighter?
